Bjorseth Chosen Outstanding Chicago Speaker

(Lisle IL) Lillian Bjorseth was chosen 2009 Outstanding Chicago Speaker by Red Carpet Concierge (RCC) as part of its 2009 Outstanding Chicago Community Awards. RCC is a concierge service that assists companies and individuals with event planning.

Lillian received her award April 13, 2010 at a Red Carpet celebration at the Seneca Hotel, Chicago.

“I first met Lillian at the 2009 Greater Chicago Networking Extravaganza, which she co-founded. I was blown away by her warm, friendly personality, her powerfully convincing presentation style and her organizational and networking skills,” said Sandy Smith-Doghmi, RCC founder and president. “She is truly one of Chicago’s premiere speakers and connectors.”

Lillian, who founded Duoforce Enterprises, Inc., 20 years ago is a nationally known speaker, trainer, coach and prolific author who helps people build a new kind of wealth – social capital – by improving their networking and communication skills.

She is director of communication for the National Speakers Association-Illinois Chapter; an instructor in North Central College’s community development program; a co-founder of Cornucopia, a suburban women’s organization; and was named one of the Great Women of the 21st Century.
